

Shawano Avenue/ Taylor Street Roundabout

Schedule

April 2011 through
November 2011

Location

Intersection of Shawano Avenue
and Taylor Street, Brown County

About the US 41 Project

Construction work on the
US 41 Project will span
14 miles in Brown County
from 2010-2017, and 17 miles
of highway in Winnebago County
from 2009-2014.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at www.US41wisconsin.gov
- Call the project hotline at (920) 492-4120

At the intersection of **Shawano Avenue** and **Taylor Street** in Brown County, WisDOT will:

- Replace the current signalized intersection with a multi-lane roundabout.
- Build a bypass access road from Taylor Street across from Badger Street to the west and northwest to allow access for traffic between WIS 29 and Taylor Street.
- Dousman Street will remain open during this project.

The construction of this roundabout is part of the larger project to rebuild the US 41 corridor between Scheuring Road and Lineville Road in Brown County. The WIS 29-US 41 interchange in Brown County, along with WIS 29 between County J and Taylor Street, is included with this construction. The US 41/WIS 29 interchange will be improved to a multi-level systems interchange with free-flow directional ramps connecting US 41 and WIS 29.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

Shawano Avenue/ Taylor Street Roundabout

April 2011

- 1 Lane closures begin to accommodate road construction.

May 2011

- 2 Traffic mitigation measures - including installation of traffic signals at Western Avenue and Taylor Street, and re-timing of surrounding traffic signals - are implemented adjacent to the project to accommodate redirected traffic during construction.

July 2011

- 3 A bypass access road is built from Taylor Street across from Badger Street to the west and northwest to allow access for traffic between WIS 29 and Taylor Street.

July 2011

- 4 The Shawano Avenue/Taylor Street intersection closes from July through September 2011.

September 2011

- 5 The new roundabout at the intersection of Shawano Avenue and Taylor Street becomes operational. Access is removed between WIS 29 and bypass road.

November 2011

- 6 Remaining roadwork, including finish work and landscaping, is completed.
